Transfiguration Sunday

Our Mission: Leading others to become disciples of Jesus Christ by reaching out in care and compassion to all of God's children.

God bless your Sunday and your worship!

We hope you will be refreshed in the Lord's Spirit here with us at St Luke's UMC.

SHARING GOD'S WORD

***Gospel Lesson**

Mark 9:2-9

1. Listen to Mrs. Nancy and write down the definition of "transfiguration."
What a big word!

2. Can you name everyone who was on the mountain in this Bible story?

3. Can you do some investigation and discover the name of the mountain they were climbing?

4. Pastor Mike mentions a hymn by Patrick Appleford that uses the words "turning the world upside down." Can you find this hymn on line? Read through the words and look for surprises!

5. Who travels with Elijah in today's reading from the book of 2 Kings?

6. In that Bible story, how did Elijah leave his young friend?

7. The 2 Corinthians reading says, “We do not proclaim ourselves,” but what are they are proclaiming?

8. Here’s a word search for our Gospel lesson today. Bless you, and may you know the Lord’s love each day!
